This presentation may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are based on estimates, projections, beliefs and assumptions of management of the Company at the time of such statements and are not guarantees of future performance. Forward-looking statements involve risks and uncertainties in predicting future results and conditions. These forward-looking statements do not meet the safe harbor for forward-looking statements pursuant to Section 27A of the Securities Act or Section 21E of the Securities Exchange Act. Actual results could differ materially from those projected in these forward-looking statements due to a variety of factors, including, without limitation, changes in general economic conditions or changes in the conditions of the industries in which the Company makes investments, risks associated with the availability and terms of financing, changes in interest rates, availability of transactions, and regulatory changes. Certain factors that could cause actual results to differ materially from those contained in the forward-looking statements are included in the "Risks" section of the Company's prospectus dated August 16, 2019 and its prospectus supplement dated November 19, 2019, the "Risk Factors" section of the Company's Form 10-K for the year ended December 31, 2018, and the Company's subsequent periodic filings with the SEC. Copies are available on the SEC's website at www.sec.gov and the Company's website at www.tcpcapital.com. Forward-looking statements are made as of the date of this presentation, or as of the prior date referenced in this presentation, and are subject to change without notice. The Company has no duty and does not undertake any obligation to update or revise any forward-looking statements based on the occurrence of future events, the receipt of new information, or otherwise.

BlackRock TCP Capital Corp – Key Highlights

As of December 31, 2019

Who we are

Advised by Tennenbaum Capital Partners ("TCP") with a 20-year history of success

Experienced team that sources proprietary deal flow and applies a consistent and rigorous investment process

BlackRock platform provides a broad origination network, information advantage, and access to a demonstrated set of proprietary investment opportunities

What we do

Value-oriented investing focused on middle-market direct lending

Full dividend coverage

in all 31 quarters as a public company

Outperformed the Wells Fargo BDC Index by 23%⁽²⁾ since IPO driven by strong historical returns

How we do it

\$1.6 billion diversified portfolio primarily composed of directly originated senior secured floating rate loans with 10.3% weighted average effective yield on debt portfolio⁽¹⁾

Diversified low cost of financing with \$1.2 billion leverage program at a 3.84% weighted average interest rate

Strong governance and shareholder alignment with an investor friendly advisory fee and share purchases by management and the board

Past performance does not guarantee future returns.

⁽¹⁾ Weighted average annual effective yield includes amortization of deferred debt origination and end-of-term fees and accretion of original issue discount, but excludes market discount, any prepayment and make-whole fee income, and any debt investments that are distressed or on non-accrual status. Weighted average effective yield on the total portfolio (including debt investments that are distressed or on non-accrual status and equity investments) was 9.7% as of 12/31/2019.

Today's Middle Market Environment

Opportunities

~200,000⁽¹⁾ U.S. middle-market businesses, representing one-third of private sector GDP, many with limited access to capital

Middle market businesses continue to perform well; annualized revenue growth rate of 7.5% vs 4.3% for the S&P⁽¹⁾

Steady credit demand

Challenges

Uptick in new market participants is intensifying competition and pressuring yields

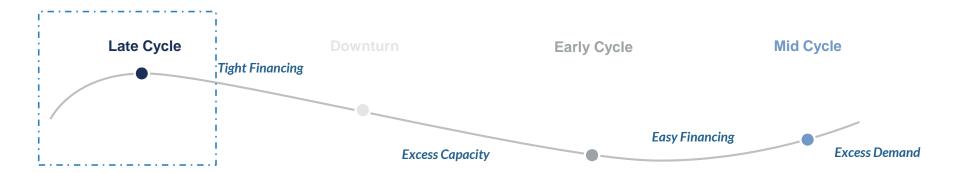

Terms, covenants and loan documents increasingly borrower friendly

Elevated debt to EBITDA multiples vs historical trends

Capturing Opportunities Throughout the Cycle

Strategy attributes are well positioned for a late stage cycle

- ✓ Senior secured, top of the capital structure
- ✓ Significant cushion below investment (generally, 40-60%)
- √ Financial and maintenance covenants
- ✓ Diverse portfolio by issuer, industry, and sector
- ✓ Investment segment governed by consistent and predictable bankruptcy laws
- ✓ Cycle-tested team with proven track record
- ✓ Depth of workout and restructuring expertise not commonly found in a direct lender
- ✓ Repeat borrowers are an important source of originations; accounting for nearly half of new investments in 2019⁽¹⁾
